DATE SERVICE TO BEGIN: \_\_\_\_\_

NOTE: Residential service requires the use of a 90 gallon roll out container. These containers may be purchased from the provider contracted to serve the town or from local vendors. The Town of Cedar Point does not provide containers as a part of their solid waste pickup.

NOTE: If service is to start after July 1<sup>st</sup> then the Town of Cedar Point will collect a pro rata fee beginning in the month that the service starts through the remainder of the calendar year. If no solid waste management fee for the Town of Cedar Point is collected at the time the tax bill for your property is mailed and if you have not paid the pro rata service fee the Town Clerk will bill you for the pro rata service from the date your service began until the end of the year.
